YOUR SEVEN-DAY MICRO PLAN

- DAY 1** Say Dobrý deň to one person before you need anything.

- DAY 3** Use Prosím si toto in a shop and listen for the reply.
- DAY 4** Ask one transport question and repeat the answer you understood.
- DAY 5** Use the slow-down rescue line before switching to English.
- DAY 6** Send or say one appointment line without translating word by word.
- DAY 7** Repeat the hardest moment with a tutor, partner or Slovak friend.
